C A B I N E T R Y

JUNO textured laminate tusk

A showstopper space like this brings fashion to a whole new level. Combine trendy textures and moody hues, and before you know it, you'll be basking in a contemporary utopia.

DOVER maple karoo

Our definition of rustic-meets-modern is a fusion of the perfect wood tone finish complemented by pulls and accessories with a more contemporary feel. The fact that Homecrest indulges your desire for unique style without alarming your pocketbook only adds to its appeal.

ARBOR rustic hickory buckboard

Prairie-inspired cabinetry and rustic choices in hardware and finishes come together to create a comfortable yet sophisticated aesthetic. The wood hood and country sink base add visual interest while open shelving provides an opportunity for personalization.

EASTPORT maple anchor
with ebony glaze

The hub of the home and backdrop for everything important in life, a thoughtfully designed kitchen invites family and friends to linger. Large windows flood the room with natural light, balancing the abundance of glazed Maple cabinets.

TANNER

DOVER galaxy

Coupling a statement-making color with classic Shaker style forges a harmonious union that is both timeless yet on-trend. Shades of gray and earthy neutrals lend a grounded yet dramatic feel to this otherwise simple kitchen space.

OGILBY maple buckboard

Elegant, raised panel cabinetry lends a sophisticated vibe to this otherwise casual space. Built-in cabinets featuring our trend-forward Buckboard finish look well-appointed, while glass cabinet doors and open shelving provide an opportunity for personal expression.
